

J.R. Lazaro Builders has been a family owned business from the time it was established in 1959 until today. This represents 50 years of building quality custom homes in Indianapolis and the surrounding area for hundreds of satisfied customers. Many of the homes that we build each year are for repeat customers and referrals. This alone is testimony to the fact that using an experienced builder is one of the wisest decisions a homeowner can make.

J.R. Lazaro Builders custom builds homes from your plan or ours. If you are not sure what you are looking for, we currently offer 8 of our own designs loaded with our standard features that can be customized to suit your needs. We can also work with you to design a home from scratch.

J.R. Lazaro Builders is confident we have a home to suit your style. We want you to be comfortable and happy in your home. Craftsmanship, details and your vision for your home get our personal attention at every step through the design and building process.
